*"The way we love our neighbor reveals something about the way we love God. And the way we love God reveals something about the way we love our neighbor."*

When God lays something on your heart...you better listen. For quite a long time, I have been fighting the thought of starting a class or a study. I tried to convince myself that I was too busy and that I didn't know enough to be a teacher. I prayed that God would remove this thought and give it to someone else. After several long chats with Dustin and lots more prayer, I knew this wasn't going away. I knew I needed to start a class. So after a lot of research and wisdom seeking, and still more prayer - I narrowed the endless study topics down to **biblical hospitality**. This particular topic is near and dear to my heart.

"**Hospitality** is one of the best ways to live out the two greatest commandments: loving God with all your heart and your neighbor as yourself. But often we get caught up in perfecting our homes and conversations before we open our doors. Over 7 sessions, we will look to Jesus as our model for **hospitality**. Discover how He lived a life full of interruptions, yet always welcomed people and invited them to follow Him. Learn to replace cultural expectations with **biblical hospitality** to create a legacy of invitation and reflect Jesus through simple acts of service."

I am so excited to begin this study! I highly recommend purchasing the study guide. It is full of thought-provoking questions, related scripture, and lots of space for notes! Each Sunday, we will watch a short video and discuss our thoughts. Throughout the week, there will be 3 short assignments to complete. The following Sunday, we will discuss these assignments before we move on to the next video.

A quick google search of this study will provide several links to purchase, including Amazon and Lifeway.

Email will be my main source of communication. Please let me know if you have any questions or if you're interested in attending!

I am looking forward to our time together and pray it will be a blessing to all who attend!

See you soon!

Jess
