**FAMILY CAMPS
CHANGES LIVES**

You hear me each year talk about Hillsboro Family Camp. I have been attending this camp meeting since 1984. It is something my family looks forward to and is a highlight of the year. There are about 3,000 to 4,000 people that gather together on a campground and worship the Lord together. There is wonderful singing, powerful preaching, graded programs for the children of all ages, and some of the best fellowship you will ever experience this side of heaven. There is something about sharing a campfire as you cook smores and talk over the activities of the day that draws God's people together. If you were to attend one time you would desire to go back year after year.

I know there are some that protest and say that a 4 and 1/2 hour trip near Cincinnati, Ohio does not fit into their plans. I get it. It is somewhat of a long haul, but well worth it.

So, let me offer you an alternative. Right here in the state of Pennsylvania there is another Family Camp Meeting that is titled Preaching In The Mountains. It is located in Hyndman, PA, about a 2-hour drive from our

building here at Restoration. While this event is not as large as Hillsboro, with a little over 200 in attendance, many of the same singers and preachers' headline on the two programs. I am speaking this year at the Pennsylvania Family Camp Meeting.

If you are able to go to either of these meetings you will be spiritually blessed and I am sure that your cup of blessings will run over.

Randy Priddy is a Trustee of Hillsboro Family Camp and would be happy to answer any questions you may have about the meeting. If you have any questions about the Pennsylvania Meeting, please contact me and I will get you any information you need.

People come back from these meetings changed. There is power in the Word of God and these meeting pack a powerful punch to your walk with the Lord. --FF

Hillsboro, at this printing, have not printed their schedule yet. In it's place we have placed pictures from previous years at Hillsboro. We hope you are able to join us this year. We have registration forms.
