COULD I HAVE YOUR BIBLE?

Just how many Bibles have been printed since Gutenberg invented the printing press? The number is staggering! Over 5,000,000,000 Bibles have been printed. To appreciate this number, consider that the world's population is fast approaching 7,800,000,000 people.

"Seriously consider the difference in not having a Bible and never reading the one you have."

Let me ask a question: "Can I have or buy your Bible from you?"

...There is only one stipulation in this arrangement. After I receive your Bible, you would never again have a Bible and it would in no way ever influence your life again. Let me ask again: "Can I have your Bible under those circumstances?"

The beginning of Psalm 19 states that the heavens declare the glory of God, but it does not stop there. The second half of the psalm shows how. Without a Bible, there is no way anyone would ever know God's will for us.

The Bible is described as being perfect, sure, right, pure, clean, desired, more valuable than the finest gold, sweeter than honey, warning about evil, giving great reward, keeping us from error, understanding error, cleansing us from secret sin and keeping us from arrogant sin. Maybe before one answers my question, one should read the second half of Psalm 19 to see what you would lose if you gave me your Bible under the terms of our arrangement.

This description of the Bible found in the last half of the Psalm does not end with those attributes listed above. It goes on to proclaim that God's Word also converts our souls, brings great wisdom, causes our hearts to rejoice, enlightens our eyes in a world of darkness, teaches us about truth and righteousness, keeps sin from having dominion over us, allows us to stand innocent before God--the list seems endless. So, let me ask again: "Can I have your Bible?"

Seriously think about it--what would your world be like without your Bible? To answer that question, change the positive attributes of God's Word into negative ones. You would discover that your life would be imperfect, no conversion, no

surety, no wisdom, no knowledge of right, no joy, no enlightenment, no association with eternal truth, no understanding of righteousness, no eternal gold, no fine gold, no sweetness, no reward, no knowledge of error, dominated by sin, standing before God with all our guilt. Are you sure you want to let me have your Bible?

David was a man after God's own heart. He only had access to only nine books of the Bible, yet look at how he treasured it. Imagine how he would treasure it if he had the sixty-six books of the Bible that you have today!

One final thought. What if there were no Bible in your language? What if you were illiterate and could not read the one you have? Think of what you would never have in your life. Then, seriously consider the difference in not having a Bible -vs- never reading the one you have? You can know that God exists by looking at His glorious heaven and earth, but real understanding will never come until you read the Bible you have! - FF

Do you have a prospect list of people you are evangelizing and praying for everyday?
